5. Although the laborers had to work day and night, they appeared to be laughing all the time. [] the Chinese laborers had nothing to do with [] sailors and remained a distance from them. The city itself was in not too bad shape; but the houses, which did not appear too old, were deteriorating. Windows and doors on the houses were broken. There was a poor Seaman's Club in the port which was dirty and only carried a small selection of souvenirs. []
